Pricing subject to change at my discretion at any time. Please email artwork and complete instructions for a quote. Quotes are “estimated quotes” and pricing may change depending on the changes and additions to artwork that were not originally included in the email when first quoted. Up to 3 simple revisions are free on artwork I created for up to 1 week. Any elaborate revisions or redesigning layouts, etc. will incur additional charges(s). After 1 week, additional charges will incur. I strive to provide error free artwork proofs but it is ultimately your/the customers responsibility to proofread and check all artwork for errors.
